

REDMOND Bicycling Guide

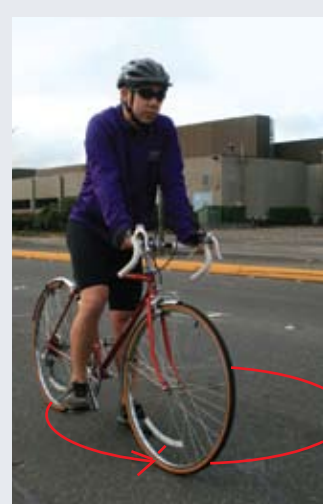

Regional Map

Always wear a helmet and follow the safety instructions provided.

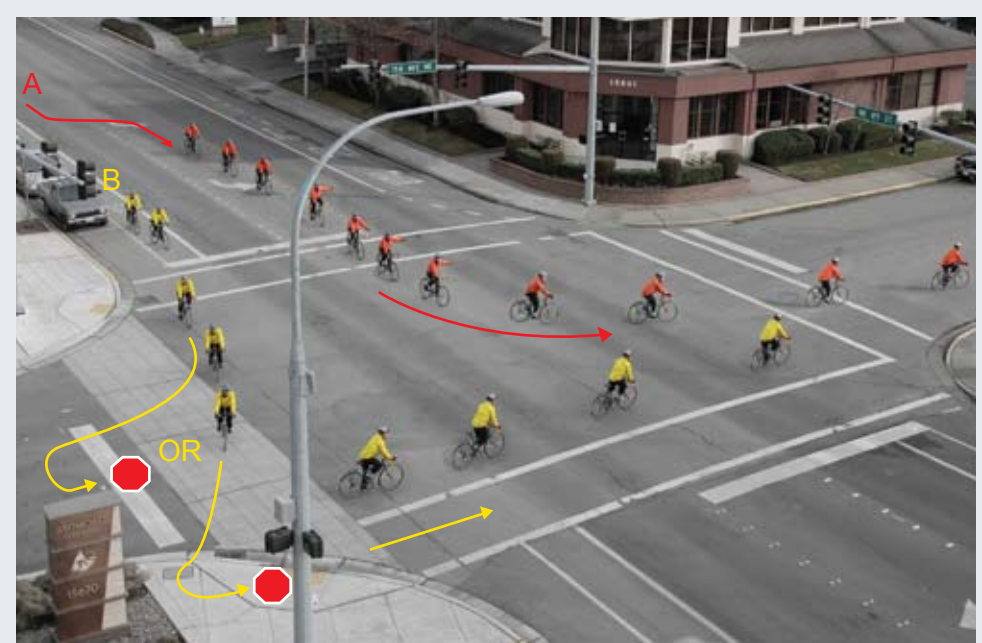

Always ride with the flow of traffic.

Trigger a traffic light by aligning your bike with the loop detectors in the pavement.

"Sharrows" show you where to ride.

HOW TO MAKE A LEFT HAND TURN

(OPTION A) Make a left turn like an automobile. First signal (if it is safe to take your hand off the handle bar) and then carefully merge into the left lane or turn lane and make the turn like an automobile.

(OPTION B) Make a two step left turn. Keep to your right and continue straight through the intersection, merging into the right side of the traffic lane. Wait for the green light and proceed in your new direction of travel, either riding in travel lane or walking in crosswalk.

Bike lockers or racks are available at 39 Park-and-Rides and transit centers throughout the region. Find out more at www.kingcounty.gov/bike.

City of Redmond, recognized by the League of American Bicyclists as a "Bicycle Friendly Community".

Located at the nexus of three major regional trails, Redmond is a community with many cycling opportunities. Come enjoy over 80 miles of interconnected bicycle lanes, paths, and trails.
